

cmi logo reproduction requirements

To obtain digital files of the *cmi* logo, please call: 800-343-9339 or visit www.colonialmills.com

color reproduction

The *cmi* logo should be reproduced using the following spot colors:

PMS 5405type

PMS Warm Grey 7mark

If it is necessary to reproduce the logo using 4-color process, use the following:

PMS 5405CYAN = 72% YELLOW = 15% MAGENTA = 0% BLACK = 56%

PSM Warm Grey 7.....CYAN = 0% YELLOW = 6% MAGENTA = 11% BLACK = 38%

black and white reproduction

For black and white reproduction, all parts of the logo should be 100% black.

When reversed out of black, or any solid color, all parts of the logo should be white.
